Dear Friends in Christ,

Thank you to all those who helped clean our cemeteries these last four Saturdays! We honor all of our fallen soldiers this weekend and especially this Monday for their heroic sacrifices that won and defended our freedom. A reminder that Monday's Mass will be at St. Patrick Cemetery in Jackson at 8am.

Our Bishop Jaime Soto has published the following statement about some recent legislative action.

"The California Senate will be voting on two life-threatening bills in the coming weeks. I urge Catholics to tell their state Senator to oppose these two bills that target the vulnerable lives of children and the frail elderly.

During this time of pandemic, we have come to understand how connected we are to one another. We have learned how much children and those with vulnerable health depend on us for care, compassion and companionship. Both bills, originating out of the State Senate violate this covenant of life and love by discarding those who are seen as useless and unnecessary. The Pandemic has made clear that we are all essential in the eyes of God.

Senate Bill 245 seeks to remove co-pay cost sharing for all abortion services and would prohibit cost sharing from being imposed on Medical beneficiaries. Let your lawmakers know that women de-

serve better than abortion and they should instead fund life-affirming services in a patient's health care plan."

Senate Bill 380 would seek to expand access to assisted suicide, eliminate the current safeguards and sunset provisions in the current assisted suicide law."

Visit <https://cacatholic.org/action-alerts> to take action today.

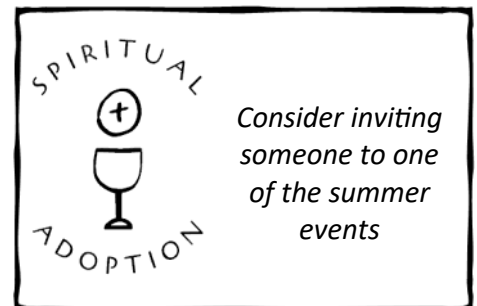

Next we will honor our graduating Seniors at the 10am and 12pm Masses. Let us pray that the next step in their lives leads them to give glory to the Father and brings the charity of Christ to others.

As I mentioned the past couple weeks, we have some great opportunities this Summer to invite someone for one event or another. Pray and discern who that might be and then extend an invitation. Our first Lawn Chair Chat is coming up soon, as is our first Sunset Social with live music.

Today is also the Solemnity of the Most Holy Trinity. While this mystery is unfathomable and almost beyond any comprehension, it does have a real meaning in our lives. The mystery of God as one in three persons, united in essence, distinct in person, speaks of the very nature of all creation, that is like a love song.

Pope Benedict emeritus says: "He does not live in splendid solitude but rather is an inexhaustible source of life that is ceaselessly given and communicated. To a certain extent we can perceive this by observing both the macro-universe: our earth, the planets, the stars, the galaxies; and the micro-universe: cells, atoms, elementary particles. The "name" of the Blessed Trinity is, in a certain sense, imprinted upon all things because all that exists, down to the last particle, is in relation; in this way we catch a glimpse of God as relationship and ultimately, Creator Love. All things derive from love, aspire to love and move impelled by love, though naturally with varying degrees of awareness and freedom."

May God bless you this week!
